

Component::setComponentValues

```
graph LR; A[Component::setComponentValues] --> B[Component::validComponentValues]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Component::setComponentValues'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Component::validComponentValues' on two lines.
